ARLIS Boston 2010
RESTAURANT GUIDE- SEAPORT DISTRICT

Though rightly famous for its seafood, Boston is home to some of the country’s most renowned chefs and offers a wide variety of world cuisines in all price ranges. Here is a comprehensive list and map of restaurants in the Seaport area (near the hotel). Visit the conference website or stop by the registration/hospitality desk for a list of restaurants others outside this area that you may enjoy. Many thanks to Linda Cuccurullo and Peter Cohn for their help in compiling this list.

Listings with an asterisk * were either recommended by colleagues or by one of the list contributors.
