

Strategic Plan  
2000-2005  
Action Items  
Public Policy Committee

## Public Policy Committee

1. Establish guidelines for kind and quantity of involvement in political action and lobbying allowable under IRS 501 tax status. (III D)
2. Identify other agencies and associations with shared interests in legislative/policy matters; link with groups, as appropriate, to co-author and/or co-sign position statements; provide descriptive annotations on other groups' committees, working groups, etc. (III D)
3. Create, disseminate, and update regularly a list of legislative topics and issues of a particular concern to arts and image professionals; draft position statements consistent with ARLIS/NA interests; publicize endorsed statements or other documents describing the Society's position on legal issues and legislation via the ARLIS/NA Web Site and Society publications. (III D)
4. Assign individual committee members to monitor specific web sites and listservs and report activities to membership via the ARLIS/NA Web Site and ARLIS-L; refer items requiring action/responses to Executive Board. (III D)
5. Create a "recommended reading" list on topics such as intellectual property, telecommunications, censorship and make available via the ARLIS/NA Web Site. (III D)
6. Create communication links and define responsibilities shared among Public Policy Committee, Diversity Committee, Collection Development Committee, and ARLIS/NA Chapters to identify issues and topics with legislative agendas. (III D)
