Statistics as of February 9, 2016:

• Number of subscribers: 2,770 (up 4.9% [119 subscribers] from February 2015)

• Number of countries represented: 31
  United States: 2,532
  Canada: 121
  United Kingdom: 26
  New Zealand: 14
  Australia: 14
  Netherlands: 10
  Japan: 6
  Belgium: 5
  France: 4
  Austria: 3
  Italy: 3
  One or two each from: Argentina, Brazil, Chile, Croatia, Cuba, Germany, Greece, Hong Kong, Hungary, Israel, Norway, Peru, Portugal, Qatar, Slovenia, South Africa, Spain, Switzerland, Taiwan, Turkey, and Western Sahara

• Total number of messages posted for calendar year 2015: 1,534
  Average number per month: 128
  High: 182 (February 2015)
  Low: 61 (August 2015)

The new policies that clarify the definition of “commercial” posts that may be included on the listserv under the no-advertising restriction have been successful in broadening the types of allowable messages and in making the moderation process less subjective.

The hardware and software issues that resulted in the system going down frequently last year were corrected by the TEI staff; the listserv has been very stable in 2015.
