Documentation Committee’s Report as of April 21, 2019

Meetings:
The Documentation Committee held conference calls on the following dates:
July 27, 2018
September 7, 2018

The Oral History sub-committee held conference calls on the following dates:
September 24, 2018
October 24, 2018
February 7, 2019
February 21, 2019

Oral History Project:
In the past year, the Documentation Committee began a partnership with the Retired Members Special Interest Group (SIG) to facilitate the recording of oral histories at the conference. A sub-committee was created consisting of Julia Kim, Vada Komistra, and Jamie Vander Broek. We met regularly with the Retired Members SIG to plan over the year and successfully recorded four oral histories during the annual conference in Salt Lake City in March 2019.

The successful pilot partnership points to a continuation of this effort at future conferences, especially as the society nears its 50th anniversary.

ARLIS/NA Archival Practices:
The committee’s refreshed archival practice guidelines document was uploaded in January of 2019, completing that the task outlined in last year’s annual report.

Submitted by Jamie Lausch Vander Broek, Chair, ARLIS/NA Documentation Committee (2017-2019) on April 20, 2019
