Chapter Business
We held two chapter meetings this year, one in New York City in February and one virtually in September. The chapter unanimously supported the proposal to bundle chapter membership dues and renewals in with the ARLIS/NA membership.

As required every five years, we updated our chapter bylaws, and submitted the revisions to the Executive Board for approval in December. The Board approved the revised bylaws on December 19, 2018. The most significant revision was to clarify that we can vote on membership dues at our virtual meetings as well as the meetings at the ARLIS/NA conferences. The next review of the bylaws will be in 2023.

Because of the commitment to the national conference, the Chapter decided against holding a virtual conference in 2018.

Winberta Yao Travel Award
The Winberta Yao Travel Award was awarded to Richard Zwiercan, Art, Architecture & Design Librarian at the University of Nevada, Las Vegas. Richard will attend the 2019 conference in Salt Lake City.
