Web Archiving Process

- Selection
- Permissions
- Crawling
- Quality Review
- Description
- Access
Make non-commercial web resources an integral part of Columbia’s collection building

Move web resource collection from a project-based activity to part of routine workflow

Develop complementary and collaborative approaches with other research institutions
Avery Library Case Study: Historic Preservation

Collection Building

- Complement and expand resources by integrating websites into the collection

Selection

- Use criteria to identify and evaluate websites
Search for NYC Landmark Designation Reports

This database houses printable PDF files of the entire collection of NYC Landmark Designation Reports from 1965 to 2010 and includes some of the most recent from 2011. Please check back often as we update our database periodically as new designation reports are released. The most recent designation reports are available on the New York City's Landmarks Preservation Commission’s website.

For more information on the history of the NYC Landmarks Preservation Commission and the Landmarking process click here.

Please note that any additional information contained in this database relating to landmarked properties was obtained from the Guide to New York City Landmarks (Fourth Edition), a publication of the New York City Landmarks Preservation Foundation, Inc.

Start by entering your search criteria below and clicking on the Search button. Click here for tips for successful searching.

Disclaimer:

Landmark Designation Reports are legal documents and are the property of the New York City Landmarks Preservation Commission. In some cases, reports that, in their original state, are faded or otherwise difficult to read, have been retyped by Neighborhood Preservation Center staff and are presented here in pdf form. For all retyped documents, pdf files of reports in their original format have been posted as well.
