AICAD Librarians Collaborated on a MOOC – What’s next?

Tony White
Director of Decker Library
Maryland Institute College of Art
• So why an Information Literacy MOOC?

• Why not!

• What next…

Proof of Concept
• Sustainability
• One touch, all students
• Blended instruction (MOOC + classroom)
• Distance education
• Expanded librarian/faculty collaboration
• Embedded librarians in curriculum development (train the trainers; faculty)
• Librarians
• Faculty
• Department Chairs
• Associate Deans
• Deans/Provosts

Evolving Partnerships
• Badges
• Certificates
• Grading
• Pass/Fail
• Required no credit
• Embedded in course development

Assessment Opportunities & Challenges
Next Steps

• Expand AICAD collaborators/partners?
• Other modules
• Assessment
• Map to core competencies
• Reorient to the NEW ACRL IL standards
• Abandon the MOOC for local solutions, but leverage inter-institutional collaborations
• Beyond MOOCs for AICAD students
• Let’s expand the conversation…
• What other options exist?
