FEMINIST
Build
Grow
Protect
It's not enough just to swing at the ball. You've got to loosen your girdle and let 'er fly.

You cannot hope to build a better world without improving individuals.

A god is to grow old.
the most VITAL RIGHT

is the right to LOVE

and be LOVED.

emma goldman

My power was Always small

Tho my will is Good.

Energy Conquer all Things

I have cause to gelt this very day

If you do not take the work

and do not make it a work for the workers

or for me or others

But together this will give me

strength and my life will change

and I shall write

to send it to subjugate my self

American Woman. Because I am a woman

and transferring myself.

Jane Mecom.

B Franklin.

If you do not take the work

and do not make it a work for the workers

or for me or others

But together this will give me

strength and my life will change

and I shall write

to send it to subjugate my self

American Woman. Because I am a woman

and transferring myself.
