When Research Doesn’t Start with a Question:
Teaching with the Framework within Art and Architecture Librarianship
February 6, 2017
The Framework

Information Creation as a Process

“Information in any format is produced to convey a message and is shared via a selected delivery method.”

- http://www.ala.org/acrl/standards/ilframework
The Framework

Information Creation as a Process

“The information creation process could result in a range of information formats and modes of delivery, so experts look beyond format when selecting resources to use.”

- http://www.ala.org/acrl/standards/ilframework
Visual Literacy Defined

“Visual literacy is a set of abilities that enables an individual to effectively find, interpret, evaluate, use, and create images and visual media.”

- http://www.ala.org/acrl/standards/visualliteracy
Visual Literacy Competency Standards for Higher Education

Standard 2

“The visually literate student finds and accesses needed images and visual media effectively and efficiently.”

- http://www.ala.org/acrl/standards/visualliteracy
Visual Literacy Competency Standards for Higher Education

Standard 5

“The visually literate student uses images and visual media effectively.”

- http://www.ala.org/acrl/standards/visualliteracy
