50. KERRY PIPPIN. Thomp. Lind. Ron.

Edmonton’s Aromatic Pippin. ac Thomp.

An Irish dessert apple, from the county of Kerry, as its name implies. Fruit middle size, oval, a little flattened at the eye. Skin pale yellow, mingled with a deeper yellow, with a glossy surface, and stained and streaked with red. Stalk of medium length, sometimes short, set in a narrow cavity, with a projection of the fruit on one side, and occasionally, a line or ridge, running from the eye to the stalk. Calyx set in a plaited basin. Flesh yellow, tender, crisp, with a sugary flavour. Ripens in September and October.
archilibnd Go Irish, beat Texas! #rarebookfriday in honor of the first game of the season, here is Vignola's bucrania for a Doric entablature from REGOLA DELLI CINQUE ORDINI D'ARCHITETTURA, printed in Rome [after 1602]. #goirish #rrbr #architecturelibrarywillbeclosedtomorrow #bondhall #ndfootball #marchingband
