Insightful Ecology, Using the Arts to Incite Conversation: A Case Study in Library Instruction
Stephanie Beene
Fine Arts Librarian for Art, Architecture, and Planning
sbeene@unm.edu

Amy Jankowski
Life Sciences Librarian
ajankowski@unm.edu
How would you define art & ecology?
How would you provide library instruction + resources for art & ecology?
“Environmental humanities represents an urgently needed interdisciplinary movement of speculative, impactful research”

-T.J. Demos
Case Study: Library Instruction for Species, Space & Politics of Survival
